

NORWOOD PARK PRESCHOOL

LUNCH BUNCH

2022-2023

MONDAY

I'm Building...on my Character!

This class will develop SEL (social emotional learning) skills through listening to stories that focus on building character and integrity. Students will create an array of arts & crafts projects to extend these SEL skills. In addition, they will participate in a variety of songs and games to learn how to manage and express their emotions, increase communication skills, and/or develop self and social awareness. This program will help to build self-esteem and confidence in students so they can gain success in school life.

TUESDAY

Let's Get Craftin'

Students will explore and create art using the world around them. A variety of arts & crafts projects will include painting, sculpture-making, and using mixed media to engage students in creativity and imagination. These projects will help students to problem-solve, increase fine motor skills, and build self-confidence to express themselves in the most creative way!

THURSDAY

Bon Voyage

Students will take a "trip-around-the-world" and explore a different country each week. Each session will focus on culture, geography, language, and/or unique qualities of the selected country through books and hands-on activities. Through this program, students will gain knowledge and appreciation of different cultures and diversity of our world.

FRIDAY

Groovin' and Movin'

Students will increase and strengthen gross motor muscles by participating in creative movements and dance to music of different genres. They will practice moving to various tempos and engage in diverse team building sports activities. This class will expand their positive energy through spinning, hopping, wiggling, giggling, and most of all - having fun!

WEDNESDAY

Arco Iris Somos - We are Rainbows

In this class, students will discover and learn Spanish language. Students will learn through introduction of words, songs, games, and music galore! Each week, students will focus on Spanish phrases or certain set of words to help them utilize Spanish in their everyday.
